Button

Contact us - mobile version

A mobile app contact form mockup with a blue border. The status bar at the top shows the time 3:03, signal strength, Wi-Fi, and battery. The header contains a circular profile icon, five underlined links labeled 'Link', and a rectangular input field. Below this is a 2x3 grid of six rectangular input fields. A blue button labeled 'Button' is centered below the grid. A large rectangular area with a light gray grid pattern represents a map. At the bottom center is a circular icon containing the letters 'CC'.

3:03
